Common Questions:

When does the camp begin & end?

Family Getaways begin AFTER 2:00 pm on Opening Day and end at 12:00 pm on Closing Day. In order for us to clean and prepare camp for your arrival, please plan on arriving between 2 & 5 pm. There will be a new camper orientation at 5:20 in the Coffee Shop in the GP. For those on Fort's meal plan, opening supper is served at 6 pm. We would appreciate your helpfulness in vacating your Campsite/Cabin/Inn room by 10 am on the last day.

How do we check - in upon arrival?

Plan to arrive between 2 & 5 pm; our staff will check you in. New campers, and anyone requesting one, will get a special First-Timer's Camp Tour. Anyone arriving later should call Fort's courtesy phone (715.493.0691) and a Fort staff person will meet you and direct you to your accommodations.

What things will require additional money at the Fort?

Soda, snacks, ice and all items in our Canteen & Coffee Shop are for sale. Most activities are covered within limits.

Where can we park our vehicle?

If staying at a campsite, we would prefer vehicles to be kept in the parking lot and not at your campsite. Vehicles may be kept at your RV site. Please pack accordingly.

Are there laundry facilities and groceries at the Fort?

The Fort does not have laundry facilities, but there are Laundromats in nearby towns. Milk, eggs, bread, ice and butter are available from the Fort's kitchen. Other grocery items are available at stores in nearby towns.

Does Fort have childcare?

We provide childcare for children ages 0-4 during the morning sessions. For other times, some campers may be willing to exchange babysitting time with you.

For those who sign - up for a “Meal Plan”, what happens if they miss some meals?

We’re sorry that we cannot give refunds or credits for meals campers may choose to miss.

What if my family has food allergies and/or a special diet?

We can accommodate gluten, dairy, and nut allergies as well as some special diets related to specific medical needs. It is valuable for us to work with you to make a plan at least 2 weeks ahead of camp for special situations.

If you are gluten free, please bring your own bread and desserts as Fort does NOT provide these items. **For any food allergy, you must email the Registrar, Jackie Dunham, no less than 2 weeks before the first day of camp.** Email Jackie at jackiedunham@fortwilderness.com

Can I bring my pet or service animal to camp?

For the safety and consideration of all guests and staff, **pets are prohibited from all Fort Wilderness properties.** If you have a documented medical condition or are visually impaired, please call our registrar. Fort does have animals at the stables for the campers to enjoy.

How may others contact us at camp?

The office number is 715-277-2587 during the daytime office hours (8am to 4:30pm). Our message center is checked often and messages will be delivered as promptly as possible.

What are the cabins & rustic cabins like and should we bring our own bedding?

Fort’s cabins are newer or newly remodeled, and very well maintained. Our cabins have restroom and shower facilities within and include one double bed and 9 other bunk-style single beds. The newly remodeled lakeside cabins include one double bed and 5 single beds. The Homestead Cabin has 4 private dorm-style rooms with 12 bunk-style beds in each, and recently added A/C. These 4 rustic cabins do not have restroom amenities, our Moonbeam shower house and toilet facilities are centrally located in camp. All campers staying in a cabin should bring their own personal towels, blankets / sheets or sleeping bags, and pillows. No cooking is allowed in the cabins. See fortwilderness.com for facilities photos.

Do we need to bring bedding and linens if we are staying in the Inn?

Fresh towels and linens will be supplied for each couple or family at the beginning of your Getaway. There is not any type of maid service provided during your Getaway. We encourage guests in the Inn or Roost to bring their own beach towels for lakefront activities. Lawn chairs may come in handy, even while staying in the Inn.

What if an accident or illness occurs?

Our infirmary, Payton’s Place, is equipped with basic first aid needs. If a more serious condition occurs, you will find excellent medical facilities in both Rhinelander & Minocqua. Each family is responsible for their own health and accident insurance while at the Fort. The Fort does not offer or provide camper medical or accident insurance.

When do we pay our bill?

You are welcome to pay your bill before coming to Fort; this can be done online, by phone with a credit card, or by mailing in a check. We will present you with a final bill via email on your final day. We would ask you to promptly pay your bill online or call the office with a credit card (Visa, MasterCard, or Discover). Fort Gift Cards may NOT be used to pay your bill.
