Dear Boys Camp Camper,

Welcome to Boys Camp! Are you excited for a great time at Fort Wilderness? We sure hope so. We are getting ready for an awesome week of camp at Adventure Outpost! As you prepare, there are a few things we wanted to share with you:

The past few years have been anything but normal, and we've all experienced a lot! Some things have been really good, but we've also faced a lot of really hard things. That's why our theme this summer at Fort Wilderness is **"Isn't it Merciful?"** which comes from three different passages: Romans 12:1-2, Ephesians 2:4, and Lamentations 3:23-24. The theme focuses on the Lord's Mercy and the ways that He is merciful to us daily. Be ready to study more about these passages and learn about the Lord's Mercy.

As we prepare for your arrival, we want to let you know that we have a lot of fun planned for your week at camp. You can look forward to swimming, canoeing, fishing, capture the flag, low ropes course, a campout, and much more. Our banquet theme for this year is "the Olympics." Come with a costume if you would like.

Pick Up Change

In an ongoing effort to keep camper pick up safe and running smoothly, we have made a change this year to our check out process. All parents or guardians picking up a child **must show a form of picture ID at check out**. Please make sure that anyone approved to pick up your child has an ID with them. Those approved for pickup must be 18 years or older.

WE'VE GONE DIGITAL!

All forms (medical, risk release, etc.) are online this year. Please log in to your Fort Wilderness account at register.fortwilderness.com or scan this code to fill out your forms:

We're looking forward to seeing you soon!
God Bless!
