Dear Boys Camp Camper,

Welcome to Boys Camp! Are you excited for a great time at Fort Wilderness? We sure hope so. We are getting ready for an awesome week of camp at Adventure Outpost! As you prepare, there are a few things we wanted to share with you:

For 70 years, Fort Wilderness has been using creation, relationships and God's Word to help people to know and experience God. As we head into the next 70 plus years, our mission is still the same. In thinking about this summer, we want campers to consider the question: "What do you mean when you say 'God'?" **The theme for summer 2026 is YHWH: The God Who Is.** We do not have a theme verse because all of God's Word - from beginning to end - is revealing who God is. This theme is meant to help campers return to a foundational understanding of who God is.

We're so excited for your arrival and have an incredible week planned just for you! Along with amazing Bible teaching, you'll enjoy swimming, canoeing, fishing, capture the flag, the low ropes course, a campout, and so much more.

To wrap up the week, we'll blast off into our **Shipwreck-themed banquet!** Feel free to bring a costume and join us for an out-of-this-world celebration. We can't wait to see you at camp!

Our speaker for the week is Luke Franzen.

Hi, I'm Luke Franzen, a pastor in Crawfordsville, Indiana. I've been married to my beautiful wife Rachel for four years, and we have a rambunctious one-year-old son named Joseph. I've served in camp ministry for five years—and having attended camp myself as a middle schooler, I'm excited to be back speaking this week. In my free time, I enjoy hiking, fishing, building Lego, watching movies, and anything related to camp.

Important Information for Parents:
